SOCIAL PROGRAM BALNEOTHERAPY 2019

We hereby announce that the IMSERSO organisation has started their 2019 social program of Balneotherapy (Spa).

Spanish citizens and foreign resident pensioners can apply to be accepted into this social program when the following criteria are fulfilled:

Requirements

- Be beneficiary to the Social Healthcare System due to having reached the legal Pensioner age or due to having a handicapped Pension, or any other pension, when the beneficiary has reached at least the age of 60.
- Not suffering from any grave mental illnesses that can affect the daily behaviour, nor suffer from infectious and contagious deceases.
- Be independent (meaning no assistance needed from others to eat, walk, etc.)
- To need the thermal treatments required and have no medical contra-indications to receive the treatments.

You can present the application and the file, in agreement with the established scales, the required points that permit access to one of the Balnearios and the requested turns within the convened time frame.

The applicant may be accompanied by his or her wife/spouse without obligation of pensions nor age limits.

Convened Presentation Period:

The Resolution of the Convened period for 2019, contemplates 2 periods to present the applications:

1.- To enter between February and August (both months included):
- With Priority to get the requested turns: until the 11th of January 2019.
- To be included on a waiting list in order of entry: until the 16th of May 2019.

2.- To enter between September and December (both months included):
- With Priority to get the requested turns: until the 17th of May 2019.
- To be included on a waiting list in order of entry: until the 31st of October 2019.

Where to apply?
